

The Ones Nobody Read

71 7 13

Chapter 1 by Story Wars

This is the story that nobody will read. Like oh so many stories out there in the Story Wars community, this one will be neglected, gathering proverbial dust in the proverbial cabinet. This is a story that will never end, because no one will be left to write it. It is a story concocted by a unimaginative author late at night, with nothing to do and time to waste. This is a story to honor the hundreds of other stories out there, serving no purpose other than to allow the website to accumulate stories and data. Filler.

This is a story without purpose.

This is a story about suffering.

And most importantly, this is a story nobody will read.

Chapter 2 by Joakim

I tried to read the story over and over again but my eyes wouldn't focus on the text. I copied sentence after sentence and collected it into a notepad where I tried to read it, thinking that it might be something wrong the the website.

Nothing...

I tried doing it again but this time I read backwards.
